Rep. Kuglitsch Applauds Passage of Right-to-Work Legislation

Madison – Today, Representative Mike Kuglitsch (R-New Berlin) released the following statement after voting in favor of SB 44, the Right-to-Work Legislation:

“As a supporter of right-to-work legislation, I believe today’s vote is a step in the right direction for Wisconsin. Many polls have found that Wisconsinites overwhelmingly support this legislation and the positives that will be the result of Senate Bill 44. Our neighboring states have seen major successes through the passage of right-to-work legislation, and I look forward to the economic gains that will be made because of it in Wisconsin.”

“Simply put, if an employee finds value in their union, they should certainly continue to pay their union dues. However, if they don’t, this bill gives them the freedom to opt out after their current contract expires and negotiate with their employer individually.”

SB 44 was approved by the Assembly with a vote of 62-35.
